ISSUE OF THE NEWSLETTER FOR A NOMINAL
FEE OF 50 CENTS PER AD. CONTACT
MARGE SAUTER AT 2062 RABBIT LN,
PHOENIX, NY 13135.

PREZ SEZ

Sorry about the on-again off-again situation with the March meeting. Certain areas were affected by the snow more than others, and I was getting different opinions. We will be setting up a phone tree so that we can better spread the word when needed. This was the first time in STARS history that we cancelled a meeting due to the weather. I hope it never happens again.

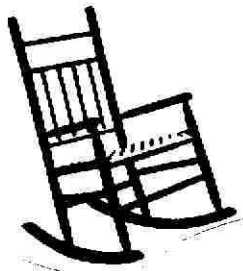

The field, as I have heard, is a real swamp. Sooner or later, we ought to be able to fly again. Actually, what we're getting is an extended building season. So, take advantage of it so that when flying season finally starts, you won't be caught with no planes.

We had a rather successful Flight School session last Saturday. Lon graciously donated the use of his shop for our needs. Thanks for the help, Lon. Dave Sikorski did a superb job putting it all together, and thanks for all the help from the instructors. Even though we had a rather small showing of students, I think they learned a lot. Thanks again, guys.

This month's meeting doesn't have a whole lot in store for real important business. We will be concentrating on Flight School issues, and Lon Sauter thought he might be able to do a radio installation demo on our new Club Trainer. Speaking of our new Club Trainer, I'd like to say a special thanks to Doug Harrington for donating his Eagle Trainer and Enya 40, and Bob Elkavich for donating 2 transmitters and receivers for the Flight School. So, THANKS A LOT, DOUG AND BOB!!!

Well, enough fer now. Keep the faith--it will eventually get warmer. See you all at the meeting.

Dan
